Minutes of the previous meeting were read & approved. On the good of the Club Brother Ferreira stated he made inquiries with our present Bldg. caterers as to their service as to their service & costs for our future Ball Party - he was informed the said cost would be $2.00 per plate consisting of either Turkey, chicken or roast beef. It was also discussed for consideration the possibility of obtaining a souvenier-printed list namely a roll of honor including all our deceased members since 1919 said list to be in alphabetical order of their past respective stations & passed out to the membership & guests attending the party.

Chairman Pres Troy stated, he realized the work for such a proceeding will mean sacrifice and doubtful of its accuracy in detail.

It was voted to have a stag Party for the membership at the Sunday May 23 meeting the securing of refreshments will be conducted by our Treasurer Geo. E. Ferreira. The Secretary was advised to notify the membership for such an occasion.

Bro. Richard Dwyer stated some means should be taken to counter-act, a stigma imposed on striking policemen & their sons as to eligibility for jury duty - many are cabelled for qualification.

Hotel Essex, Sunday Nov. 21-65

The officers of the B.S.C called for a special meeting of the membership. The same to take place at the Hotel Essex in Boston, Sunday Nov. 21 at 2. P.M. The purpose of this meeting was for a vote of the body on the question as to whether or not we continue with future meetings under present adverse conditions, such as over the last two years sickness & deaths have reduced our numbers to a minimum of attendance to meet our requirements, in many instances a quorum was lacking without which we could not legally perform business necessary to be effective.

Accordingly with our requested quorum twenty members were in attendance. After much discussion, it was duly moved & carried to dispense with future meetings with the exception in a motion made by John P. Britten seconded by Matthew J. Hanly = A Disposal of the money in the Treasury be used for masses of the living and dead members. This is to be for an annual mass, Sept 9 at the Paulist Fathers Church St. Boston, &c. &c. by John Cox was carried. Bro. Richard J. Dwyer completed the arrangement with the said Fathers. Out of our bank balance of $446.00 $375.00 went towards the masses to continue on Sept 9 annually The remaining $71.00 now in the Bank will take care of charter & newspaper cost as they come due.
